Big Time Products [Graphic Designer]

Rome, Georgia (January 2012 - August 2012)

- Utilized Photoshop, Illustrator, and InDesign on a daily basis to create glove concepts, packaging, promotional displays, and advertisements for the various in-house glove brands (Grease Monkey, Soft Scrub Gloves, Wrangler, Digz, True Grip, and Firm Grip)
- Conceptualized, sketched, and designed the 2013 Spring gardening glove collection sold at The Home Depot
 - Created original glove diagrams, packaging, and patterns
 - Researched color trends to choose a specific Pantone palette to match the target consumer's preferences
- Worked directly with vendors such as Wal-Mart and The Home Depot as well as overseas manufacturers in China, Malaysia, and Pakistan to ensure correct colors, bleeds, resolutions patterns, dimension, and glove sizing

V3 Magazine [Graphic Designer]

Rome, Georgia (January 2010 - March 2012)

- Worked one-on-one with advertisers of V3 Magazine to create compelling ads and full page layouts seen by over 30,000+ readers per month, while meeting strict deadlines
- Designed logos, brochures, business cards, flyers, newspaper ads, billboards, letter heads, cookbooks, banners, t-shirts, etc; for various businesses in the Rome area while also supervising the printing and distribution
- Collaborated with the Editor of V3 Magazine to design and layout the entire V3 Wedding issue printed in April 2011
